My dear Mirza.

There is not much to tell you. The Meeting of the Civil Service Association went off very well & there were one or two interesting papers read. I told the Dewan yesterday about Mr B asking for leave & he acquiesced & said he had merely followed precedent in suggesting the above arrangement.

He told me too that the Residency had informed him that we should have no "Simplex" Revenue Surveys for the next three years.

I daresay my papers about
Mrs. Kerr have been sent up to
you.
There was good rain here
yesterday.
I hear that General
Wagan & Major Harvey
are coming a day
earlier - & they
will reach Mysore on
the 3d August - Mr Barton
who saw Mr Campbell yes-
terday told her this & also
said that he wanted to
accompany General Wagan
to Mysore
With you kindly let them
know about my
arrival & also that
the Resident comes with
the Prof. Mr Barton has
one of my blue
boxes
He want me to attend
the annual meeting of the
Mysore Society on the
31st (Saturday) & I propose
with H H's approval to
do this & to reach
Mysore on Sunday by the
Mail Train.
My regards to Her Highness
I hope you denied to
Col. Radcliffe was a
great success.

Yours sincerely

R Lawrence
